A. Performing members:

Performing members of our unit will receive a wristband that gives them entry to all events except World Class Finals.

- Option 1 for members: If they wish to sit on the front side to watch World Class Finals (normal video viewing perspective like at a marching band contest) *they must purchase* their own ticket.
- Option 2 for members: If they do not want to sit on the front side, *we will* purchase member backside seating for them.
- Option 3 for members: stay out in the lot and watch the jams up close and in person! Make those lot videos, lol
- FYI, you can do both, watch in the lot and go in to watch shows, but will need a backside or frontside ticket to enter the arena.

B. Groupies:

Folks traveling just to watch to watch us need to purchase their own tickets for the shows. Please find the links below and thanks for cheering us on 😊

C. Volunteers: (*must complete our background and participant protection requirements*)

Volunteers traveling with us and plan to help us while we are in Ohio will have 2 options.

- Option 1 for volunteers: You will receive a wristband same as the members (see above). Plus, we provide a *free* World Class Finals *backside* seating pass for helping us daily.
- Option 2 for volunteers: You will receive a wristband same as the members (see above). You purchase your own ticket for World Class Finals.
- See volunteer info attached below
- ***We need (2) truck drivers for Dayton Ohio. You will receive a hotel room and tickets to the shows (See option 1 above).***
